ADRIA PRATAMA MULYA SCHOOL  
Where Education Meets Sport

## "Where education meets sport"

### Vision

To become a progressive school that excels academically, builds character and instills equestrian, artistic and management skills in each individual. We also look to inspire students to help sustain the environment.

### Mission

- To create independent and team player individuals as a creative and critical thinker, problem solver, effective communicator, self-directed learners with leadership and responsible qualities.
- To prepare individuals with equestrian skills to become national and international competitors, professional stable managers and equestrian event organizer.
- To furnish individuals with management skills in becoming a successful entrepreneur and creating new business opportunities.

### Curriculum:

- National Curriculum (K-13)
- Special Education and Learning
